About Innovative Research Awards

Harshwardhan Publication always endeavours to motivate Indian educators, who have expertise in imparting education in various fields. The publication provides a prestigious National Award for Researchers, Academicians, Educationists, Editors, Young Scientists, Teachers, Principals & Sportsment etc. for their valuable contributions of their discoveries, innovative ideas, scientific knowledge, new techniques & applications about latest developments in their respective domain.

There are day dreamers and there are night dreamers, but on top of all there is a league of extraordinary people who do act on those dreams simultaneously & restlessly dedicating their lives to make Education a promising value proposition. HP always boosts the morale of such innovative contributors.

We always believe that people are and will always be the greatest asset. HP renders you an opportunity to reflect upon your past accomplishments and take pride in knowing that you are now an important element to be recognized and awarded.

We aim to celebrate the noble profession of teaching and imparting knowledge through innovative and path breaking ways to young learners and teachers who have made significant contributions to the educational society. The distinguished teaching awards are time-honoured in recognition to excellence in teaching at all levels, in the education sector.

The award is open to all Educators teaching in Colleges, Universities and any other Educational and Training Institutes. There are various categories of Awards.
